

Kanopy is a video streaming service containing over 30,000 films. **Kanopy Kids** features hundreds of great titles for children. They can all be accessed on your phone, tablet or computer using your library card.

1. Go to innisfilidealab.kanopy.com and choose **Sign Up**. Enter your name, email, and choose a password. A confirmation email will be sent to the address provided. Click on the email link to activate your account. When prompted, enter your library card number.

For all future visits, click **Log In** and type in your email and password at the top of the page!

2. To **Browse**, you can scroll through the categories on the home screen. You can also browse more categories by choosing **Browse** beside the search bar.

To **Search**, simply type your search terms in the search bar and click on the magnifying glass or hit enter on your keyboard. Click to select an item from the list, or narrow your search results using the filters listed on the left side of the screen.

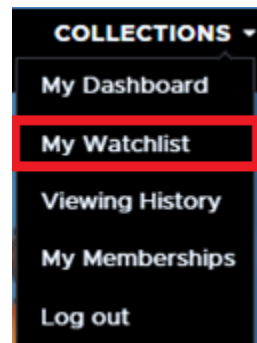

3. Hover your cursor over the image of the film you wish to select. To watch right away, click **See More** and then **WATCH NOW**. To save it for a later date, you can add it to My Watchlist

by clicking the plus button . My Watchlist can be accessed by clicking My Lists in the top left corner. If choosing a movie from search results, click on the selected film and click play

. You will have 72 hours to watch the film as many times as you like across any connected devices. To return to the main

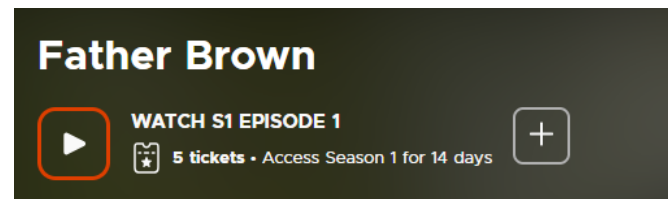

page, click on the  icon in the top left corner.

Important info: You have access to 45 tickets per month on **Kanopy** and unlimited access on **Kanopy Kids**. You can see your remaining tickets in the top right corner of your screen. When you browse for

titles, you will see the number of tickets required to watch and how long you have to watch them. Your tickets reset on the first day of each month. Note that tickets do not carry over to the following month.

Kanopy can also be watched on TV with a Roku device, Apple TV, Chromecast or by connecting your computer to your television using an HDMI cable.

Kanopy is a video streaming service containing over 30,000 films. **Kanopy Kids** features hundreds of great titles for children. They can all be accessed on your phone, tablet or computer using your library card.

1. Download the free app from the App Store or Google Play Store. Install and open the app. Click **Sign Up** if it is your first visit, and follow the directions. You will be asked to verify your email before your membership will be confirmed.

2. Once you have confirmed your email, search for Innisfil Public Library and then enter your library card number. You will now be able to access the collection!

To Browse, scroll through the options on the home screen. You can

browse more categories by selecting the Browse icon  at the bottom of the screen and choosing a category or genre.

To Search, click the Search icon  and type in your search terms.

3. Tap the picture of the item you want to view. To watch the film

immediately, tap on the play button . You will have 72 hours to watch the film as many times as you like across any connected devices.

To save a film for future viewing, add it to your **Watchlist**, by tapping .

To view your **Watchlist**, visit your account by clicking on **My Lists**  and select **My Watchlist**. To watch a movie from the list, tap the

image. To return to the main screen, tap on the **Home** icon .

Important Info: You have access to 45 tickets per month on **Kanopy** and unlimited access on **Kanopy Kids**. You can see your remaining tickets in the top right corner of your screen. When you browse for titles, you will see the number of tickets required to watch and how long you have to watch them. Your tickets reset on the first day of each month. Note that tickets do not carry over to the following month. Films must be watched using a streaming internet connection and cannot be downloaded. It is **not** recommended to use data from a cellular plan as streaming can use data very quickly and result in overage fees. Access Settings in the main

menu  to ensure your device does not use Cellular Data by turning it off.

Kanopy can also be watched on TV with a Roku device, Apple TV, Chromecast or by connecting your computer to your television using an HDMI cable.
